

FNF RECEIVES TRANSPORTATION PARTNERING AWARD

1-40 4TH St. Underpass & Butler Ave. TI Overpass AGC Buid Arizona Award

FNF project, I-40 4TH St. Underpass and Butler Ave. TI Overpass, was selected to receive the 2020 Arizona Associated General Contractors Build Arizona Award for Public Reconstruction-Highway projects over \$10 M division. The award will be presented on January 28th, 2022 at the Arizona Grand Resort & Spa.

This award recognizes projects that meet the challenges of a difficult job, excellence in project management, innovation in construction, sensitivity to the environment, excellence in client service, and contribution to the community.

1-40 4TH St./Butler Ave. Project

Location: Flagstaff, AZ

Owner: Arizona Department of Transportation (ADOT) & City of Flagstaff

General Contractor: FNF Construction, Inc.

Other Stakeholders: Federal Highway Administration (FHWA)

About the project:

ADOT awarded this contract to FNF using the design-bid-build procurement method. Work consisted of widening and replacing the existing bridges at the 4th Street Underpass using the slide method of construction and rehabilitation of the existing bridge decks at the Butler Avenue Overpass. The project was allowed 17 days for a full closure of 4th Street to demo two existing bridges, slide two bridges into place, reconstruct the roadway and open traffic. FNF worked 24/7, with 18 separate crews, and used only 15 of the 17-day closure.
